OUR CHURCH HISTORY

Some interesting events occurred during the thirties in spite of the Great Depression. One of the federal projects of the new democratic era was building the first harbor. President Roosevelt came to Lake City on August 8, 1934 for its dedication. The whole town turned out for the occasion. He arrived from Rochester in the open touring car that belonged to Doctors Charles and Will Mayo.

Thank you...

~A special Thanks from Pastor Tim & Becky Ehling for the gifts & cards over the holidays. We are very touched by your love!

~My life is blessed with some of the most amazing people. Thank you for all your prayers and support. Your prayers had to have been my point. Thank you again. Debbie Taylor (Heidi Berge's Mom).

*Prayer allows us to hear
God's whisper more clearly.*

Goodhue County Habitat for Humanity will be building in Lake City after the new year. Since our beginning in 1976, Habitat has been built on a foundation of faith. Our mission is to build safe, affordable housing with people in the Goodhue County and around the world, and that comes from a desire to put God's love into action. The tangible experiences that Habitat provides allow you to engage those around you, live your faith and offer a unique opportunity to **love your neighbor. You'll also have the opportunity to work alongside future Habitat homeowners.** If you would like to volunteer with Goodhue County Habitat for Humanity please contact Jodi Beach at 507-403-7868 or email her at jodihabitat@gmail.com.
